The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

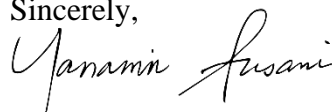

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Arizona State University CHIPs and Domestic Manufacturing Project in Fiscal Year 2026. The entity to receive funding for this project is Skysong Innovations, LLC, located at 1475 N. Scottsdale Road, Suite 200, Scottsdale, AZ 85257. The funding would be used to develop and demonstrate innovative water reuse technologies and infrastructure tailored to microelectronics manufacturing. The project is an appropriate use of taxpayer funds because the project will demonstrate how to reduce water consumption by the semiconductor industry, creating more water for the community to support additional economic activity and strengthen the water security of the region.

The project has a federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Yassamin Ansari
Member of Congress
