The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Tolleson Wastewater Digester #4 project in Fiscal Year 2026. The entity to receive funding for this project is the City of Tolleson, located at 9055 W. Van Buren St., Tolleson AZ, 85353. The funding would be used to complete the construction of Wastewater Digester #4 at Tolleson's wastewater treatment facility. The project is an appropriate use of taxpayer funds because it ensures the City of Tolleson can meet growing demands for wastewater treatment as the region develops, and provides critical infrastructure improvements that support public health, environmental protection, and long-term operational reliability.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act (CWSRF) and Section 1452 of the Safe Drinking Water Act (DWSRF). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Yassamin Ansari
Member of Congress
