The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Phoenix's Real Time Crime Center project in Fiscal Year 2026. The entity to receive funding for this project is the City of Phoenix, located at 200 W Washington St, 12<sup>th</sup> Floor, Phoenix, AZ 85003. The funding would be used for Real Time Crime Center (RTCC) technology purchases, including radio dispatch consoles, computers network switches, and related necessities. The project is an appropriate use of taxpayer funds because this technology will allow for training and communications to make better officers and a more efficient police force.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Yassamin Ansari  
Member of Congress
